Forecast For Wales
Issued by Met Office Exeter
at 1600 on Friday 20 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy rain followed by sunshine and showers on Saturday. .

This Evening and Tonight:
A mainly cloudy and wet evening, with heavy rain in western areas, becoming more widespread and persisting through the night across the country. Remaining breezy at coastal locations. Minimum temperature 15 deg C (59 deg F).

Saturday:
Rain continues through the morning, slowly clearing eastwards during the afternoon. Brighter skies following, with a mixture of sunshine and showers. Some of the showers will be heavy and thundery. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
Much drier on Sunday for most, with some morning showers lingering in the north. Much more settled heading into next week, with sunny spells and dry conditions. Feeling warm.
